PROFESSIONAL EXPERIENCE

EC4You Digital Marketing

JULY 2023 - Present

Web developer

Skillfully contributed to both frontend and backend development at EC4You Digital Marketing, demonstrating expertise in HTML, CSS, JavaScript, Django, and WordPress. Successfully integrated custom web solutions and utilized WordPress for dynamic content, showcasing adaptability in diverse project environments.

PROJECTS

Ec4you.in

Description:

Led the design and development of the EC4You.in website using WordPress, taking charge of creating visually appealing online platforms. Collaborated closely with my team, incorporating custom features to align with the company's brand and ensuring a seamless user experience.

Dynamicfitzone- Website For Gym

Description:

Designed and developed a dynamic gym website from inception to completion, employing **React** for the **frontend** and **Django** for the **backend**. Led the full design process, ensuring a modern and user-friendly interface that aligns with the fitness industry.
